MISS MARGARET ROCHE SUCCUMBS AFTER ILLNESS OF OVER TWO YEARS

This community was shocked yesterday morning on learning of the death of Margaret L. Roche, connected with the local grammar school for the past fifteen years. She passed away in the University of California hospital in San Francisco at 5 o'clock yesterday morning following an illness of nearly two years.

She was operated upon two weeks ago and apparently was recovering from the effects of the operation when a sudden change set in on Thursday when she succumbed.

Miss Roche was the eldest daughter of David Roche of Menlo Park and was born in Mendocino county but came to Menlo Park as a child. Miss Roche graduated from the Sequoia Union High School with the class of 1902 and from the State Normal school at San Jose in 1904. That year she was appointed to a position in the local grammar school and for several years past had been the teacher of the eighth grade.

Miss Roche was a skillful and clever educator beloved by her pupils and fairly idolized by the school and faculty. Miss Roche was an indefatigable worker, she was tireless in her many tasks doing her work well and completed it without any regard to her physical endurance.

Miss Roche had a splendid record as a teacher. She was accounted one of the very best educators in the state She will be sorely missed by those under whose charge.

During her illness her place had been filled by Miss Esther Torello of Easton.

Miss Roche is survived by her father, David Roche, and the following sisters and brothers: Miss Mamie Roche, Mrs. Joseph Ahlert, Mrs. Jack Briggs, Mrs. Ross and Mrs. Fred Linde, John and David Roche.

The funeral will take place from her late residence on Oak Grove avenue, Menlo Park, on Monday morning at 9 o'clock, thence to the Church of the Nativity where a solemn requeim high mass will be celebrated. Interment will be in Holy Cross cemetery, Menlo Park.

WOODMEN OF TH EWORLD

Embarkadero Camp, Woodmen of the World, held an unusually enthusiastic and interesting meeting at thsiastic the Odd Fellows' hall last Thursday evening, much zest being added to the evening's enjoyment by the presence around the camp fires of many of the old timers and pioneers of Woodcraft, in the persons of Tom Stott, Kenneth Murray, Clark Rice and former clerk Fred W. Glennan and others from among the charter members who are still full of pep and loud in their praises for the organization which has meant so much to its members and their dependent ones in the matter of protection and social intercourse, and with so small expense.

The Camp has scheduled an especially live wire affair and an enlivening program for their next regular meeting on the evening of Thursday, December 23rd, when a large crowd is expected. After the entertainment the regular election of officers will be held when successors to Counsel Commander Miles A. Sharkey and Advisor Lieutenant Jno. E. Cowgill will be chosen. There will be several friendly contests for the various offices, and hence a very lively and interesting time is in prospect for those fortunate enough to be present. A large attendance is anticipated as the election of officers always brings out a big crowd in support of favorite candidates. As further inducement it might be well to announce that Geo. W. McNulty, clerk of the Camp, and also the head chef has promised to outdo himself in the matter of the biggest feed he has ever placed on the banquet table. Those who fail to come will have no one to kick but themselves.

DECISION IN THE BRADLEY-SHERWOOD LITIGATION

Judge Buck has rendered the following decision in the case of Josephine B. Bradley, against Harriet S. Sherwood:

"As claimed by defendant's counsel there is no positive proof that the plaintiff ever prescribed or did anything for the deceased other than to call on her and in order to allow plaintiff anything to court will have to assume she called professionally. Judgment ordered for plaintiff for $409."

Plaintiff brought the suit against defendant, as executrix of the last will and testament of Cora M. Snowden, who died on March 8, 1919, for professional services amounting to $631. The services were rendered by Dr. Bradley during 1917 and 1919.

He left a large estate.

RED BERRIES MISSING FROM COUNTY COURT HOUSE LAWN

Last Monday the three beautiful berry trees just underneath the window of the county clerk's office at the court house were covered with berries. On Tuesday the branches were bare and the berries gone. The sparrow and the robin are the vandals. They were seen from the clerk's office to light on the trees and gulp down the luscious fruit in a rapid manner so that the branches were bare in a short time. Evidently the robins came down from the north that day and were tired and hungry after their long journey and feasted to their heart's content on the California berry. The sparrow aided them in their work of destruction. Yet the game laws prevent the taking or killing of these birds of passage. They are migratory feathered songsters who should be prevented from robbing berry trees of their attractiveness.

A REMARKABLE RECORD

Strassburger and Co. recently completed the erection of the finest stock and bond building in the west and the achievement of Miss Stafford is a remarkable tribute to her capabilities. We extend our hearty congratulations on her enviable record.

The San Mateo County Social Service Commission submitted its report, showing expenditures of $4,967.01 for the month of November, 1920, $1200 of which was received through State aid refund.

All of the above reports were ordered filed.

A communication was received from the Social Service Commission recommending allowances of county and state aid in a number of worthy cases and a reduction or cancellation of aid in other cases.

The report was accepted and ordered filed.

A communication was received from David F. Smith, chairman of the Motor Vehicle Legislative Conference held recently at Sacramento in which he gave the names of the organizations interested in the plans of the Conference, which included the draft ing of a new vehicle act which would be uniform for the entire state. A request was made for the supervisors of San Mateo county to submit some ideas in the matter relative to changes, etc. The board decided to take the question up later in the day with District Attorney Swart.

A communication was received from the Burlingame Teachers' Council, thanking the board of supervisors for their action in fixing the taxes last year allowing an increase in the salaries of the teachers during the school year 1920-1921. The communication was ordered filed.

Two petitions signed by F. G. Thomas and forty-two others, was received, asking for the installation of electric lights on the Middlefield road at the entrance to St. Patrick's Seminary and at the intersection of the Middlefield road and Willow road in the Third township.

Teh question of the petitioners were granted, on motion of Thompson, seconded by Hickey, and Mrs. Nash, the clerk of the board, was directed to notify the Pacific Gas and Electric company to make the necessary installations.

On motion of Thompson, seconded by Mrs. Brown, A. C. G. Hahn of Menlo Park was reappointed a member of the Pulgas Mosquito Abatement district, his term having expired.

On motion of Thompson, seconded by Mrs. Brown, the board ordered a telephone installed in the home of Supervisor-elect Manuel Francis at Halfmoon Bay, the expense of same to be met by the county.

On motion of Mrs. Brown, scond ed by Thompson, the board ordered a telephone installed in the home of Dr. W. C. McLean, the new county veterinarian, the expense of same to also be paid by the county.

The board took up at this time with District Attorney Swart the matter of changing the present county ordinance governing the weight of loads that may be carried on trucks on the highways of the county. The members were all of the opinion that some changes should be made if the highways are to be saved from destruction. Supervisor Thompson said the trailers, which are allowed a load of seven tons, including the weight of the vehicle, are doing more damage than the main trucks themselves and argued that the weight allowed the trailers should be cut down.

District Attorney Swart suggested that there should be a difference in the weight allowed to be carried on vehicles with steel tires and those with rubber tires. He thought that 500 or 550 pounds to the surface bearing inch of tire would be about right for the proposed ordinance.

Supervisor Hickey suggested that the board write the Motor Vehicle Conference and explain that San Mateo county has a number of macadam roads that won't stand the heavy traffic that the concrete roads would and that this situation should be taken into consideration in endeavoring to form a uniform vehicle law.

Chairman MacBain suggested that inasmuch as the law gives the county the right, the board should fix an ordinance governing its owh mountain roads, which he explained were the ones that suffered the most from heavy traffic.

Following considerable more discussion. it was decided to continue the matter until the next meeting of the board, on Monday, December 20, when it is proposed to take some definite action with regard to drafting the new traffic ordinance.

WOODSIDE NEWS NOTES

J. C. Lowe of Redwood City is drifting an artesian well at the Ormondale Stock Farm for Joseph Macdonough.

Red berries are ripe and hundeds are here every Sunday picking them. People from the city destroy the trees by taking off large branches and denuding them. This should be stopped or else the beautiful trees will be no more. The red berry is the attraction of this locality at this time of the year.

William Byrne returned from the rice fields in Butte county with sixty head of horses last evening. The animals were shipped there three months ago to harvest the rice. Mr. Byrne did not complete his contract and will return next spring to finish the work. There are 60,000 acres in rice that has not been harvested on account of the water. There are three feet of water on the land, the over-flow of the Sacramento river, Mr. Byrne says the rice men have lost heavily during the season. Mr. Byrne saw thousands of wild duck, principally widgeon, flying over the fields. He is glad to be back again in San Mateo county.

By the terms of a deed filed yesterday in the office of County Recorder T. C. Rice at Redwood City, George E. Bates has purchased from H. O. Beatty a piece of property located at Woodside, containing 100 acres, at a cost of $10,000. The property is beautifully wooded and will make an ideal country home. TRUE CO-OPEATION

Five thousand mill operatives, working under a co-operative system which prevails in certain sections of Virginia, have voted a decrease in their wages of 15 percent and the cutting off of a ten per cent weekly bonus. The workers realize that a general deflection is going on, and that they must share with their employers the result of the depression. It is a movement that is manifesting itself in other industrial centers.

Wage earners know that unless all are reduced many will be separated from their positions altogether.

LET 'EM TALK

It is hinted by Baron Sakatani, former minister of finance of Japan, that the discussion over the California anti-Japanese legislation may be a subject to come before the league of nations. The league may talk it over until all the members have relieved themselves of views on the matter, but if the league of nations undertakes to coerce the United States or any of them to a conformity with any decision it may make there is going to be trouble.

MENLO PARK NEWS OF ALL SORTS

There was a large gathering of the parishioners of the Church of the Nativity at the parochial residence of Father M. Walsh on Wednesday evening to arrange for a turkey card party. It was decided to hold the event on Friday evening, December 17 in Native Sons' hall. The committee of arrangements is, John W. Morey, chairman; W. J. Murray, Mrs. Mahoney, George Walsh and Mrs. A. W. Gale. The committee last evening met at the office of W. J. Murray when final and complete arrangements were made for the big event. A door prize consisting of a turkey and ten other prizes including turkeys will be awarded that evening to the winners of the card games. Make no other date for that evening for the affair is certain to be one of the most enjoyable ever taken place in Menlo Park.

A wireless station is now being constructed at Runnymede. When completed it will be the largest in the United States and the second largest in the world. A great number of men are being employed at the site which is located on the Faber property adjoining the chicken colony. Twenty-five of the men are guests of the Oak Grove Villa which is now crowded. Mine Host Joseph Nash is beaming with delight at the prosperous future of the Villa.

Fred Nessler, the enterprising proprietor of the Little Green Door, is preparing for the reception of Santa Claus. His big store is being filled with holiday goods of all description. The little ones are constantly peeping at the big dolls, etc., and patiently awaiting the coming of Santa.

William Mason, a pioneer of Mountain View and brother of James G. Mason of this place, passed away at his home there on Sunday last. Spinal Menangitis was the cause of death. Mr. Mason was aged 62. Most of his life was spent in Mountain View. He was universally liked and loved by all who knew him. The funeral last Tuesday was the largest attended of any in Mountain View for many a day. This showed the esteem in which he was held by his neighbors. Interment was in Alta Mesa cemetery. The deceased is survived by a wife and four grown children.

The local grammar school will close on Friday, December 17 for the holiday vacation of two weeks.

For the first time in four years there was a stream of water in San Francisquito creek. The heavy rains of Thursday caused a big freshet from the mountains. There was fully five feet of water in the stream on Thursday afternoon.

The rainfall for yesterday was .50 of an inch making a total of 6.15 inches for the season which is far above normal.

The bazaar and rummage sale at Trinity Hall on Wednesday afternoon and evening was a decided success. The net proceeds were slightly over $500. Choice articles suitable for Christmas. gifts were disposed of Large crowds visited the hall booth in the afternoon and evening.

Colonel Smith, one of the chiefs of the agricultural department at Washington, was at the base hospital yesterday looking over the ground to establish an agricultural school there as a part of vocational training that is to be a big factor at the institution. Other lands are to be purchased for this purpose. Right after the first of the year building operations will begin in earnest. It is understood that all the temporary structures are to be wrecked. The institution promises to be a big thing for Menlo Park and vicinity. Let the business men be up and doing and secure this business. There are to be $3,000,000 spent in buildings alone not mentioning the big sums that will be spent in beautifying the grounds. An army of employes are to be retained for this work.
